

International Conference on Computer Science and Mechatronics

ICCSM 2023

March 10-12, 2023

Shanghai, China

INVITATION LETTER

The 2023 International Conference on Computer Science and Mechatronics (ICCSM 2023) will be held on March 10-12, 2023. This conference focuses on the latest research on "Computer Science and Mechatronics", aiming to gather experts, scholars, researchers, and related practitioners in this field from all over the world, share research results, explore hot issues, and exchange new experiences and technologies.

Conference Date and Venue

Conference Date: March 10-12, 2023

Conference Venue: Shanghai, China

Call for Papers and Publication

All accepted papers will be published by **conference proceedings**. Submitted paper must not be less than 4 pages in length.

The topics of interest:

| Computer Science | Mechatronics Technology |
|--|--|
| Artificial Intelligence | Advanced Forming Manufacturing and Equipment |
| Algorithm | Advanced Motion Control |
| Automatic control technology | Automation and control systems, middleware |
| Automation of production process | Electric Automation |
| Computing | Electromechanical transmission control |
| Hybrid intelligent systems | Integrated Manufacturing System |
| Internet of Things | Machinery and Machine Design |
| Intelligent Control | Mechatronics Control |
| Intelligent fault detection and identification | Man-machine Interactions |
| Modeling and Design | Micro/Nano-Manufacturing and MEMS/NEMS |
| Network intelligence and network control | Optomechatronics |
| Sensor and Detection Technology | Sensors and Actuators |

Conference Co-chairs

International Conference on Computer Science and Mechatronics

ICCSM 2023

March 10-12, 2023

Shanghai, China

Prof. R. Badlishah Ahmad, Universiti Malaysia Perlis (UniMAP), Malaysia

Dr. Yu Zuo, Shanghai Jiaotong University-GEC Research Center, China

Prof. Yonghui Li, University of Sydney, Australia

Keynote speakers

Prof. R. Badlishah Ahmad, Universiti Malaysia Perlis (UniMAP), Malaysia

Dr. Mengfan Zheng, The Hong Kong University of Science and Technology, China

More information of speakers will be available soon on website.
